Disposal of accessories and residues	Wipe off any liquid residue before recycling this container. Consult your municipality for proper disposal of any remaining product.
Storage and Shelf Life	Protect from freezing. If the product has been exposed to cold temperatures, allow it to return to room temperature for 24-48 hours before using. Store in an airtight container at a temperature between 10°C and 25°C. The product has a shelf life of 12 months under these conditions.
Guarantee	Guarantee: Prato-Verde guarantees the quality of its products. They conform to the description provided in the technical data sheets and on the labels suitable for the intended use, in accordance with the instructions written by the company. However, since the manufacturer has no control over the circumstances, methods, and conditions of use, this guarantee only covers the high quality of Prato-Verde products.

Technical Specifications Preparation

1. Wait at least 10 days before beginning maintenance on a freshly oiled terrace.
2. Vacuum or sweep to eliminate any dust or residues.
3. Shake well before use.
4. Add 50 ml of PAREO CLEAN per liter of warm water and mix thoroughly.

Technical Specifications Application

1. Soak a cloth or mop into the solution, wring it out well, and clean the surface.
2. Allow the wood to dry without rinsing.

WARNINGS

- Keep out of reach of children.
