

Odie's Wood Butter

- Our Wood Butter offers a higher concentration of wax compared to our Universal Oil, providing for a buttery consistency
- Use like a wax to increase sheen and protection with the added benefits of oil
- Used alone or in conjunction with any combination of other Odie's Finish Products to create a build
- Use on wet and/or problematic woods to reduce checking and warping and to assist in enhancing stability and the even-drying of wet wood
- Food-safe, Family and Pet Safe, and All-Natural - no toxic chemicals or carcinogens such as petroleum-based solvents or isocyanate hardeners, no masks or gloves required
- Contains natural UV inhibitors which protect from the sun
- Stabilizes, Protects, Beautifies and Waterproofs
- Bonds with the surface instead of sitting on top for superior durability for both commercial and residential applications
- Surprisingly Easy - but use sparingly, simply buff a little on, wait a while then buff off
- Seamless repair - no sanding or stripping, simply buff on to the problem spot and buff off for a seamless repair
- For Interior or Exterior Use

Odie's Wood Butter is a proprietary blend of oils and waxes, born out of inspiration, hard work and a driving need to solve problems specific to the woodworker. It is the culmination of 30+ years of research, development and field testing in the most extreme environments to produce a revolutionary product that out-performs and out-covers the competition.

Every Odie's product provides the user with the highest quality finishing experience available on the market - a truly safe alternative, with unmatched durability, efficiency, clarity, beauty and ease-of-use.

Odie's Oil, Odie's Wax, and Odie's Wood Butter were developed hand-in-hand to compliment each other and provide for unparalleled freedom of creativity.
