SheenPlus

For an oiled look with extra sheen

- ✓ Long-lasting satin finish
- ✓ No overlaps
- ✓ High spread rate
- ✓ Scratch-resistant
- ✓ Based on natural ingredients, 0% VOC

SheenPlus is a 0% VOC wood finish that provides a **durable satin look** to wooden surfaces that have been treated with Oil Plus 2C. This product may be applied by hand or with a polishing machine on all indoor wood surfaces, including furniture, countertops, tables, stairs, walls, floors, etc. The combination of the SheenPlus oil (A) and Accelerator (B) ensures a fast cure time, resulting in excellent protection. Plus, it's solvent and water-free, making it safe for you and the environment.

SheenPlus must always be used in combination with our **Oil Plus 2C**.
