Removes Virtually any Coating from any Surface

Safe, Effective,  
& Earth Friendly

Removes up to  
15 Coats of Paint

Contractor Tough &  
DIY Friendly

**SmartStrip**<sup>®</sup>  
Advanced Paint Remover

## Safe, Effective and Earth Friendly

**SMART STRIP™** is a revolutionary paint remover that is safe for the user, any substrate and the environment. It is formulated without methylene chloride and is non-carcinogenic, non-toxic and non-caustic. This water-based stripper will effectively remove up to 15 coats virtually any coating (oil-based, water-based, acrylics, varnishes, urethanes – *even old lead paints*) from any interior or exterior surface (wood, brick, stone, concrete, plaster, metal, plastic, glass, fiberglass, etc.) **SMART STRIP™** has zero VOC's, is odor free, user friendly, 100% biodegradable and pH neutral.

## PRODUCT ADVANTAGES

- Zero VOC Formulation
- Odor Free
- Water-Based
- 100% Biodegradable
- Formulated without Caustic or Harsh Chemicals
- pH Neutral
- Ideal for any Interior or Exterior Surface

**CONTRACTOR TOUGH AND DIY FRIENDLY**  
**REMOVES VIRTUALLY ANY COATING**  
**FROM ANY SURFACE**

**Easy Application and Removal**

**SMART STRIP™** is a water-based paste that is easily applied by brush, roller, or conventional airless spray. Allow the paste to dwell on the coatings for 3-24 hours, depending on the number of coats and the type of coatings being removed. **SMART STRIP™** is formulated to remain wet and effective over extended periods of time and does not require the use of laminated paper. After appropriate dwell time, remove the paste and the softened/lifted paint using a scraper. Any remaining residue can be removed with a sponge and water or power washer. There is no need to neutralize the stripped surface.

**When Performance and Versatility Count**

**SMART STRIP™** is ideal for a wide range of Do-it-Yourself, Residential, Commercial and Industrial applications. This product simplifies paint removal and delivers top-quality performances when removing a vast range of coatings. **SMART STRIP™** provides users the smart solution on even the most difficult paint removal projects.

**Innovative and Environmentally Safe Solutions From A Brand You Can Trust**

Since 1981, **DUMOND®** has excelled in developing environmentally responsible products for the restoration industry. Today, the **DUMOND®** brand is recognized as the market leader of earth friendly, high-performance paint removal products.

**Part Number:** Quart 3332 / Gallon 3301 / 5 Gallon 3305

**UPC:** Quart 027691033322 / Gallon 027691033018 /  
5 Gallon 027691033056

**Sizes:** Quarts, Gallon & 5 Gallon

**Packaging:** 6 Quarts per case & 4 Gallons per case

**PROVIDING THE SUPPORT**  
**YOU EXPECT**

- A nationwide distribution network of conveniently located outlets
- Sales Representatives located nationwide to provide hands-on support
- Technical support via internet for access to Specification & Data Pages and MSDS at [dumondchemicals.com](http://dumondchemicals.com)
- Technical support via the phone from 8:30 am - 5:00 pm EST at **800-245-1191** or email [info@dumondglobal.com](mailto:info@dumondglobal.com)
