Product Data Sheet

OZ POLISH

M860-000

Available in 2 ounce, pints, quarts and gallons.

Product Description: This is Mohawk's easiest one step polish. The easiest product to use in the industry. OZ Polish cleans, polishes and protects all in one operation. In addition to wooden furniture OZ Polish can be used on marble, tile, refrigerators, chrome, etc.

Advantages:

1. Non-flammable
2. Easy to use.
3. One step operation.
4. Greaseless.

Product Limitations:

1. Designed for interior use only.
 2. Not suitable for high temperature areas
-

Characteristics:

Weight per gallon: 8.00 ± 0.1 lbs./gal.

Flashpoint: None observed

Spec. Gravity: $.962 \pm 0.01$

Non Volatile (wt): $23.2 \pm 0.3\%$

Package Life: 2 years

Coverage: 500 square feet/gallon

Volatile Organic Compounds (VOC):

Does not exceed 475 grams/liter, 3.97 lbs./gal.

Hazardous Air Pollutants: 0.0 lb./1 lb. solids

Air Quality Data: Non-Photochemically Reactive

HMIS:

Health: 1

Flammability: 0

Reactivity: 0

Personal Protection: B

Specifications:

Directions: SHAKE WELL BEFORE USING. Surface should be clean and dry. Clean and wipe surfaces well. Pour a small quantity of polish on a clean, soft, lint-free cloth and apply in the conventional manner. For stainless steel and formica apply with dampened sponge. USE SPARINGLY.

OZ does not require excessive rubbing – the surface brightens immediately and will not show finger marks. Previously waxed and oil polished surfaces can cause smudging because of build up. If so, remove with mild detergent and warm water before applying OZ. Keep from freezing and do not apply to flat painted surfaces.

Safety Cautions: Avoid contact with skin and eyes. Wash hands after using. Keep container closed when not in use. Do not transfer contents to other containers for storage.

KEEP OUT OF REACH OF CHILDREN
