An American Story

Since 1928, General Finishes has been manufacturing wood coatings to the highest performance standards. We are recognized as a leading innovator in the development of water-based finishes. Our award-winning products are easy to use and provide superior color, adhesion and durability.

Connect & Get Inspired!

Connect with the General Finishes community on Facebook, Instagram, Twitter and YouTube. Tag **@GeneralFinishes** or use **#generalfinishes** in a post featuring a project you completed using our products and it could be featured on our social media accounts with a tag back to you! Join the General Finishes University Facebook Group to immerse yourself in our community and get your questions answered.

Limited Warranty

General Finishes products must be tested to your complete satisfaction before using. General Finishes will not be responsible for color satisfaction, misapplication, nor compatibility with other manufacturers' products. General Finishes will be responsible only for the cost of our products, and not for costs such as labor, damage, or project replacement.

Related Water-Based Products

High Performance Topcoat
A durable urethane topcoat for use over painted, stained or raw wood surfaces.

Extender & Accelerator
Water-based finish additive to extend or accelerate the dry time of water-based paints, stains and topcoats.

Flat Out Flat
A matte topcoat with a soft feel and durability that is superior to a wax finish.

Glaze Effects & Pearl Effects
Specialty paints used to add dimension and contrast, create faux finishes, and accentuate details.

Wood Stain
A thick formula that provides deep colors and easy control.

Stain Blocker
A powerful primer used to block persistent bleed-through from stains and wood tannins.

Dye Stain
Penetrating water-based stain designed to enhance the natural beauty of figured woods.

Brushable White Enamel
A premium pigmented wood enamel ideal for cabinets, furniture and millwork.
